Statement	<p>Requests for a bus stop relocation can be completed by parents/guardians online for consideration by WESTS.</p> <p>Bus stop relocation requests will not be reviewed until all eligible students have been processed for transportation. Online forms will not be open for submission until October 1st each year.</p> <p>Bus stop relocation requests do not include moving from one existing stop on the route to another existing stop. The relocations are for requests to physically move an existing stop in an existing route.</p>
Procedures	<p>Bus stop relocation requests will be reviewed looking at the guidelines for routing and bus stop location. This includes looking at safe stopping distances for vehicles, number of students using the stop, physical attributes of the stop and the implication on the timing for the bus route.</p> <p>The Service Parameters as per Policy GT-020 will continue to be the guideline when determining stops. Home stops are not provided under normal circumstances.</p> <p>Requests for a Stop relocation review must be submitted using the automated online request system available on our workflow website. No paper copies of the form will be accepted.</p> <p>The person submitting the online request will receive an email with an approval or denial to the email from which the form was submitted.</p> <p>If a bus stop relocation request has been denied future requests for the same stop relocation will not be reviewed unless there has been an significant change in</p>
